MISSION STATEMENT

FOR THE CATHOLIC SCHOOLS IN THE ARCHDIOCESE OF DETROIT

The Archdiocese of Detroit holds that Catholic schools serve as an extension of the educational ministry of the Church, which continues the teaching mission of Jesus.

CATHOLIC SCHOOLS:

Proclaim the Gospel; Develop a faith community in which Gospel values are formed, experienced and lived; Preserve and teach the doctrines and traditions of the Catholic faith; Provide a learning environment which fosters academic excellence; Nurture young people to become “responsible and inner directed, capable of choosing freely in conformity with their consciences.”

The Catholic Church in the Archdiocese of Detroit recognizes the dignity of each child and the rights of parents as primary educators. It makes every effort to keep Catholic schools accessible to all who embrace this education mission of the Church.

Catholic School Handbook Policies (updated 7.31.2023)

“Catholic schools have a mission of forming disciples of Jesus Christ. Every Catholic school, therefore, must cultivate an environment that upholds the teachings of the Catholic Church in an authentically Catholic culture, protecting and promoting the inherent and inviolable dignity of all persons, created in the image and likeness of God. Catholic school leaders, staff, and community members must ensure that all curriculum, activities, advocacy, and training align with the teachings of the Catholic Church.”

Archdiocese of Detroit Catholic School Policies – Enrollment and Conduct To be included in family/student handbooks:

Policy 1: “Students and their families who desire to enroll in a Catholic school in the Archdiocese of Detroit understand that a Catholic school is a center of evangelization and exists to provide an excellent academic education and formation founded upon the morals, teachings, and practices of the Catholic Church. A student may not be admitted to a Catholic school in the Archdiocese of Detroit if their conduct (or the conduct of a family member) is contrary to the teachings of the Catholic Church and poses a threat to the moral integrity of the Catholic school community.”

Policy 2: “The dismissal of a student or family from a Catholic school in the Archdiocese of Detroit may occur when the conduct of a student or family member of a student is contrary to the teachings of the Catholic Church and constitutes a threat to the physical welfare or moral integrity of the Catholic school community or compromises the school’s ability to educate and form students according to its mission. In all contexts, Catholic charity must be demonstrated.”

MISSION STATEMENT OF OLQM SCHOOL

OLQM School is a Catholic community dedicated to nurturing students who will contribute to the world through faith, character, and lifelong learning.

SCHOOL PHILOSOPHY

We believe OLQM School offers each student a community where catholic values are learned and nurtured. Together OLQM Parish & School will instill within each child a lifelong commitment to living and sharing the Gospel message.

OLQM will promote academic and spiritual growth and the expectation of service to others.

GOALS OF OLQM SCHOOL

Promote a basic knowledge of Catholic doctrine;

Develop Christian moral values so that the students will be self-motivated to make choices based on sound Christian principles;

Provide professionally qualified faculty who exemplify Christian ideals and principles; Develop skills in language arts, mathematics, science, social studies, foreign language, music, art, computer, and physical education;

Instill within each student a sense of personal responsibility and self-discipline; Provide an environment which is conducive to the physical well-being of students; and Provide a Catholic education for as many children in the community as possible.

SPIRITUAL AWARENESS

The atmosphere of a Catholic school should reflect the spirit of Christian life and learning. We offer our students a program of spiritual activities, which add and enrich the scholastic life.

Catholic doctrine is presented in each grade in a relevant and meaningful manner. The liturgical year is developed through opportunities for attending Mass and receiving the Sacraments.

In all spiritual activities, the school recognizes the fact that the parent(s)/guardian(s) also play an important role in the moral and spiritual training of the child. The example of the parent(s)/guardian(s) is the key factor for the spiritual development of the child.

ADULT ROLE MODELS

One tool we have to guide our children's behavior and development is our own behavior. We want our students to treat their classmates, teachers, parents/guardians and environment with love and respect. So we will be models of Christ's love and respect at all times. When families and school staff interact, we must all maintain that respect and be models of Christ's love for one another.

OLQM requires that all staff, students, and families treat each other with civility at all times. We must always model respectful behavior and appropriate citizenship skills for our students. If a parent, guardian, volunteer, or any other adult treats a student or staff member in an abusive or inappropriate manner, they may receive notification from the school that a meeting is required to address the issue. If needed, the school may take immediate legal steps to ensure the safety of staff and other families. Similar steps will be taken if there are repeated uncivil incidents in communications with the school staff, whether such communications are in person, on the telephone, or by other means.

CONCERN PROCEDURE

We are delighted to have you as a part of the Our Lady Queen of Martyrs School family. We will work very hard to make sure that you and your child's needs are met every day. However, there may be times when you do not agree with a policy we have adopted or the way we implement it. Please know that we are open to feedback and want to hear from you!

If you have a question or a concern, there is a procedure for having your issue addressed. We strongly urge you to follow these steps so that we can resolve issues with you at the school level.

First, please contact the OLQM staff member directly involved with the issue to seek answers to your questions and to reach a resolution.

If you are not satisfied with the response or you do not get a response, please contact the school office to schedule an appointment with the OLQM Principal to discuss your issue over the phone or in person. The phone number for the school office is: 248-642-2616.

LITURGICAL CELEBRATIONS

Each grade level worships God through planned liturgies. Students in Grades K-8 attend Mass once a week. All grades attend Mass on Holy Days and other special occasions throughout the school year. Parents are invited to join the students in these Eucharistic celebrations.

SACRAMENTAL PREPARATION PROGRAM

OLQM Parish provides opportunities for students to prepare for and receive the sacraments of Holy Eucharist, Reconciliation, and Confirmation within the Catholic community of prayer and worship. First Holy Communion (Eucharist) is ordinarily received in the second grade, and the sacrament of Reconciliation is also received in the second grade. The sacrament of Confirmation is celebrated in the eighth grade. Preparation for the celebration of these sacraments is a joint effort of parents and religious education staff. During a year when a student is receiving a sacrament there will be periodic meetings and activities scheduled throughout the year.

SCHOOL/HOME PARTNERSHIP

A strong, cooperative partnership between school and home is an essential ingredient for an effective education. The best interests and needs of the student remain paramount, yet must be balanced against the good of the school community. With all partners in the process working together, the student is afforded the best educational experience.

Parents who cannot support the policies of the school community, or do not display a positive role in the school home relationship, may be required to remove their child from the school.

ADMISSION POLICIES AND PROCEDURES

OLQM School admits students of any race, national and ethnic origin to all rights, privileges, programs, and activities generally accorded students at that school. It does not discriminate on the basis of race, national or ethnic origin or sex in the administration of its hiring and personnel and education policies, admission, scholarship and loan programs, and athletic and other school administered programs as required by the terms of Title IX of the Educational Act of 1972, Public Law 92-316, as amended by Public Law 93-586. OLQM School will accept students in Pre-Kindergarten through Grade 8, providing applications meet certain specified admissions criteria.

PROBATIONARY STATUS

All enrollments are subject to a six to nine week trial period to assure the appropriate placement of each child. The staff will work closely with parents/guardians and children during this adjustment period to help ease the transition. At the end of the probationary period, the Principal and/or Pre-K Director, teacher(s) and the parent(s)/guardian(s), will review the student's academic, behavioral, and social progress.

TUITION

OLQM School is subsidized a considerable amount each year by the parish. There are two tuition rates: one for registered parishioners who are active and participating members of the parish; and one for non-registered parishioners.

Tuition - rates are outlined on a current Tuition Schedule. Rates include fees for books, technology and lunch supervision. The Application Fee is separate. An additional obligation of \$100.00 per family for fundraising participation is required. This fee may be satisfied, for example, by the purchase or sale of raffle tickets that support the various fundraising events held throughout the school year

It is also expected that all families complete 10 hours of volunteer hours of service each year between our two OLQM Parish and School events (Oktoberfest and Blarney Blast).

Payment Plans and Policies – one account for the family of each student is maintained. Payments may be made by cash, check, money order or credit card (2.85% surcharge added).

All transfers and /or expulsion from OLQM School may result in a prorated refund based on number of days enrolled and enrollment expenses incurred by OLQM School. Pre-Paid tuition will be refunded in full minus fees, only if cancellation is made, in writing, to the school by August 1.

CHANNELS OF COMMUNICATION

OLQM School maintains the policy that if parents/guardians have a particular problem or concern with a teacher, they must address the problem or concern immediately and directly with the teacher first. Should a satisfactory solution to a problem or concern not occur; the parent/guardian is then directed to contact the following channels of communication in this order:

Principal

Pastor

Catholic Schools Office of the Archdiocese of Detroit

HOMEWORK

Each teacher establishes his/her own daily or weekly homework requirements. The philosophy behind homework is the enrichment and reinforcement of the learning which has taken place in the classroom. Homework is a useful adjunct to the school curriculum to the extent that it enables the student to form independent study habits.

Parents/guardians can assist by helping and encouraging their children, but not by actually doing the work for them. Children learn best by doing the work themselves with appropriate guidance when necessary. Parents/guardians can further assist by checking to see if the assignment is properly completed. Parents/guardians are encouraged to keep a check on their children's progress by asking to see the corrected papers that have been returned to them and by checking Google Classroom.

Homework may consist of assignments not completed in school. It may be a project connected to a particular subject or topic being studied. It may be reading that is recreational or informational, and it may even be material for studying. Not all homework is necessarily written.

CODE OF CONDUCT

The OLQM Code of Conduct is based on Christian fundamentals and principles, with the goal of helping students grow in personal responsibility and social concern. We will utilize the Virtue Project through the Archdiocese of Detroit to support students with understanding and living out the OLQM Code of Conduct.

Students will respect each person, including teachers, parent volunteers, classmates, and younger and older students.

Students will respect the property of others.

Students will show friendliness and helpfulness toward all, including school helpers and visitors.

Following the Code of Conduct means applying the Ten Commandments and the Beatitudes to the daily school experience and includes, but is not limited to:

- Acknowledging the presence of God in all aspects of the school day.
- Following the General School, Classroom and Lunchroom/Playground Rules.
- Using appropriate language.
- Respecting those in authority and following school regulations
- Respecting peers; no fighting, hurtful words or actions.
- Being honest and fair in words and actions; no lying, cheating, stealing, or destruction of property.

Students and their families who desire to enroll in a Catholic school in the Archdiocese of Detroit understand that a Catholic school is a center of evangelization and exists to provide an excellent academic education and formation founded upon the morals, teachings, and practices of the Catholic Church. A student may not be admitted to a Catholic school in the Archdiocese of Detroit if their conduct (or the conduct of a family member) is contrary to the teachings of the Catholic Church and poses a threat to the moral integrity of the Catholic school community.

The dismissal of a student or family from a Catholic school in the Archdiocese of Detroit may occur when the conduct of a student or family member of a student is contrary to the teachings of the Catholic Church and constitutes a threat to the physical welfare or moral integrity of the Catholic school community or compromises the school's ability to educate and form students according to its mission. In all contexts, Catholic charity must be demonstrated.

GENERAL SCHOOL RULES

Students must be considerate of others by being quiet in class, in the halls and bathrooms, and respectful of each teacher's classroom rules and supportive of a learning atmosphere beneficial to the entire class.

Students must respect all property, including desks, books, and lockers.

Students may not write, read or pass notes to other students during the day. There is no running in the hallways.

Adherence to the uniform code is required. Shirts must be tucked in at all times. No gum chewing on school grounds.

Students who bring cell phones to school must put them in their locker during the school day. WHILE INSIDE THE SCHOOL BUILDING all phones MUST be in the off mode.

ITEMS NOT PERMITTED IN SCHOOL

The following items are not permitted in the school building or on the school grounds without the expressed permission from teacher or administrator:

Rollerblades/skateboards

Toys

Personal electronic equipment unless specifically approved

Aerosol containers/makeup

Anything else deemed unsafe or inappropriate by the administration.

CELL PHONE AND ELECTRONIC EQUIPMENT POLICY

Students may bring to school a cell phone and/or other authorized electronic equipment (iPod, video game, camera, etc.) if they are kept in the off position in their lockers during the school day. Such equipment may only be used before 8:00am and after 3:15pm (with the exception of before and after care) **This also includes any field trips during school hours.**

Infractions to this rule result in:

1st offense – student will stay after school and serve detention and the item(s) will be kept in the office until a parent/guardian picks it up.

2nd offense – student will serve a one-day school suspension and the item(s) may not be brought back to school.

OFF-CAMPUS BEHAVIOR

Students may be subject to the full range of discipline policies, penalties, and procedures for unhealthy, dangerous, or immoral conduct that occurs off-campus, where such conduct adversely affects the education process or the mission of the school community. Examples of such off-campus behavior include, but are not limited to, the following:

Electronic/internet or mobile device activity

Threats, harassment, or bullying

Alcohol/drug use

Fighting

Hazing

Alcohol/drug possession, or sales

Reckless driving

Sexual assaults

DISCIPLINE REVIEW COMMITTEE

School rules serve to maintain order on a daily basis and to help students develop desired behavior. Infractions of the School Behavior Rubric will be addressed as outlined below, depending on the severity of the infraction.

Detention: detaining a student for a short period of time before or after school. Detentions are given for less serious violations of the School Behavior Rubric, or for a repeated violation of the dress code or other established regulation (e.g., missing assignments). Any teacher, administrator, or lunch supervisor may issue a detention.

Less serious violations include, but are not limited to:

Disobedience

Dishonesty

Cheating (cheating will also result in a "0" on the test or paper)

Disruptive behavior

Inappropriate language

Inappropriate physical contact with other students

Disrespect of student, teachers and staff

Violations of established rules include, but are not limited to the following:

Inappropriate lunchroom behavior

Misuse of playground equipment

Running in hallways or cutting ahead of others in line

Poor bus behavior

At the time a detention is issued, the student is made aware of the infraction. The detention slip must be signed by a parent and returned to the issuing teacher on the following school day. The student is to serve the detention on the assigned day.

FIGHTING

Fighting is a serious offense against the order of the school community. The parties to an incident of fighting may be immediately sent home, normally not exceeding a day's length of time. This "cooling off" period is not to be equated as a suspension or expulsion, but as an opportunity for the students to reflect upon the seriousness of the incident and upon the need to develop more positive options and responses to the problems that caused the fighting. The parents and students must have a conference with the Principal before the students will be permitted to return to the classroom. A serious incident of fighting may be grounds for suspension or expulsion.

SEXUAL AND ILLEGAL HARASSMENT

Archdiocese of Detroit School Policies and Guidelines

It is the policy of the Archdiocese of Detroit and OLQM School to make every effort to provide an educational environment as well as a work environment, free from all forms of harassment. This policy applies to the actions of all faculty, staff and students at OLQM as well as others who may be in a working relationship with the school. The Archdiocese of Detroit and OLQM School are open to and respect the complaints brought under this policy.

Respect for the dignity and worth of each individual is a basic tenet of OLQM School. Each individual faculty, staff member, student, or others who are in a working relation with the school, are entitled to work/attend school in an environment free from discriminatory practices, including sexual and other forms of illegal harassment. All will be held to standards of conduct which ensure that the school is free from sexual and other forms of illegal harassment.

OLQM will neither tolerate sexual harassment nor will it tolerate reprisal against any employee, student or other persons who make a sexual harassment complaint. Any faculty or other staff member who violates this policy will be subject to disciplinary action, including termination of employment. Any supervisor or faculty member who receives a complaint of sexual harassment and fails to take corrective action pursuant to this policy is also subject to disciplinary action, including termination of employment.

Students are expected to be courteous and respectful to administrators, teachers, parish and school employees, volunteers, parents and students, in all of their interactions. Students who engage in name-calling, threats, bullying, intimidation, or other conduct or communication that has the purpose or effect of creating a hostile, offensive or abusive atmosphere, including such activity in online postings or social-networks, such as Facebook, will be disciplined, up to and including expulsion. Deliberate defamation of others is not consistent with Christian values and students will be held accountable for intentional harm they cause to others.

Retaliation in any form, such as harassment, name-calling, ostracizing, intimidations, threats, etc. against an individual including all parish and school employees, volunteers, parents and students, for reporting or cooperating in good faith, in a parish or school-sponsored sanctioned investigation will not be tolerated. Anyone found to have engaged in retaliation will be subject to sanctions, up to and including termination from employment and/or expulsion from school.

Unless otherwise specified by the teacher, all student assignments are meant to be prepared individually as a result both students will be at fault.
4. Reporting or writing false scores on tests or assignments.
5. Use of notes or other materials not permitted by the teacher.
6. Theft of materials or looking at stolen materials.
7. Plagiarism of any kind. Students should note the following when preparing written papers: Whenever a student uses the exact words of anyone else, he/she must put them in quotation marks and indicate the source of the quotation.

Changing a few words from an outside source does not excuse a student from a charge of plagiarism.

A student who uses any outside source for an assignment must credit that source in the paper.

A student who borrows the ideas of anyone else to a significant degree must give credit to that source.

A student must provide sources when a teacher requests them. Attempts to conceal sources when they are requested are cheating.

Consequences for Cheating:

Each case of cheating will be considered individually, since circumstances can often change the seriousness of the act. However, cheating of any kind is dishonest. A cheating incident will result in the disciplinary actions described below:

1. The teacher who discovers the cheating takes the papers from student(s) and informs the principal.
2. The student(s) involved receive a zero or F for the particular assignment/test or quiz.
3. A notification of the incident will be sent to the student’s parents. Though the administration keeps a central file, the information is not part of the student’s records.
4. Consistent cheating (2 or more incidents) may result in suspension, or expulsion.
5. Disqualification from NJHS and Student Council.

BULLYING POLICY

We are committed to providing a safe and secure school environment. We believe students should be able to learn in an environment that is free from threat, intimidation, harassment and any type of bullying behavior, including cyberbullying. Students who engage in any act of bullying are subject to disciplinary action and logical consequences and referral to law enforcement.

CYBERBULLYING

Additionally, Our Lady Queen of Martyrs will take any report of cyber bullying seriously and will investigate credible reports promptly. Students are encouraged to report an incident immediately to a teacher or the principal. Students who make a report are requested to preserve evidence of cyber bullying. For example, a student may save or bring a copy of an email, text message, picture or other electronic transmission that they deem as cyberbullying. Submitting this information does mean a consequence will be given, but that if deemed bullying, the threat will be investigated by the school. Please note that all consequences of bullying are confidential and only shared with the student who is bullying and their family.

WHAT IS BULLYING?

Bullying means any written, verbal, or physical act, or any electronic communication, including but not limited to, cyberbullying, that is intended or that a reasonable person would know is likely to harm one or more students either directly or indirectly by doing any of the following:

1. Substantially interfering with the educational opportunities, benefits, or programs of one or more students.
2. Adversely affecting the ability of a student to participate in or benefit from the school's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress.
3. Having an actual and substantial detrimental effect on a student's physical or mental health.
4. Causing substantial disruption in, or substantial interference with, the orderly operation of the school.

To protect students, we have several procedures in place, listed below.

Bullying will not be tolerated at Our Lady Queen of Martyrs, on the bus, or during school activities, such as sporting events. As followers of Jesus, bullying behavior goes in opposition of these teachings.

Bullying is classified as harassment and may constitute a violation of civil rights when it is based on color, ethnicity, gender, sexual orientation, gender identity, transgender status, religion, national origin, ancestry, age, marital status, veteran status or disability.

Students who engage in bullying will face disciplinary action and, depending on the severity and pattern, may be reported to law enforcement.

Our Lady Queen of Martyrs has procedures for investigation and intervention of students engaged in bullying behavior, as well as procedures to prevent bullying and to support any student who believes something was intended to harm, insult, or humiliate them.

Staff will take appropriate action and will bring it to the attention of the principal when students report an incident of cyber bullying. Staff will attempt to preserve evidence of the cyber bullying and will submit any evidence to the principal.

Complaints under this policy may be filed with the Principal and will remain confidential.

All complaints will be investigated and the parties involved informed of the outcome (whether the claim was found to be accurate and if a consequence will be given. We will never share the specific consequences of students with anyone except a parent or guardian). Knowingly made false complaints may result in legal or administrative action against the complainant. No member of the school community may ever retaliate against a complainant.

MINOR VIOLATIONS

The most common *minor* violations are including but not limited to:

- Assignments/class work not completed
- Being tardy for class
- Dishonesty or cheating
- Disobeying safety rules
- Disruption or disruptive, negative behavior in class
- Gum chewing or candy consumption
- Inappropriate behavior and language in restrooms and changing rooms
- Inappropriate/disrespectful behavior during liturgies and prayer services
- Inappropriate logos, symbols or words (ex. liquor, questionable signs, etc.)
- Neglect of school property
- Non-adherence to uniform policy
- Poor lunch behavior
- Profane language
- Running in the building
- Snowball throwing
- Failing to return request forms/assignments or discipline report (ex. Monday Folders)

Most minor violations are covered by a “detention: being issued by the teacher or administrator. At this time the student is made aware of his/her misbehavior and is issued a “detention slip.” The student then will be required to take the slip home, have it signed by his/her parent/guardian, return the slip to the issuing teacher, and serve detention on the required day. Three or more detentions constitute a major violation.

MAJOR VIOLATIONS

The most common *major* violations are:

- Any behavior found to be inappropriate to a student in a Catholic school
- Any serious misbehavior that raises a question of a student’s ability to continue to function in a regular school setting
- Any type of harassment or teasing/both sexual and non-sexual
- Computer misuse
- Continual detentions/repeated disregard of school rules
- Disrespect or defiance of school authority (administration, staff, appointed aides)
- Failure to repeatedly attend assigned detention
- Fighting or physically harming another student
- Gambling
- Leaving school property without permission and/or “skipping school”/class

Possession of an article that may be considered as a threat to safety
Possession of fireworks
Possession of inappropriate or immoral materials
Possession of unacceptable items
Sexually inappropriate behavior
Smoking or possession of tobacco, lighters or matches
Stealing
Vandalism

Most major violations will result in a suspension and/or expulsion at the discretion of the administration.

Procedure for Suspension:

1. A written notice of the misbehavior, duration and type of suspension will be given to the student the day of the suspension.
2. School work will be given for both in and out of school suspensions. It is the student's responsibility to complete all work.
3. Within one school day of the suspension it is the parent/guardian's responsibility to initiate a conference with the administration if it has not been done prior.

EGREGIOUS VIOLATIONS

Examples of egregious violations are:

Arson
Failure to cooperate fully in any school investigation for expulsion from school
Gross or repeated conduct which is disruptive to the education process
Initiation of a false fire alarm or bomb threat
Possession of a weapon
Possession or use of any unauthorized drugs while in the care of school staff at school, at "school functions," on the school grounds, or to and from school. School functions include field trips, class trips and athletic activities on or off campus
Violent acts against any person
Possession or use of any performance enhancing drug (ex. steroids)

Procedure for Expulsion:

1. A written notice of misbehavior of the student will be given to him/her and his/her parent or guardian the day of the recommended expulsion. The student is immediately suspended, pending further review and possibly expulsion. The notice will also include procedures for seeking review by the administration, including the time frame in which such review must be sought.
2. A parent or guardian shall be present at the conference. If advance notice (at least one school day) is to be provided, the administration, at his/her discretion, may permit faculty or staff members or other students to attend the conference to provide relevant information. However, it is the parent/guardian's responsibility to secure the attendance of such other students at the conference. No other persons (ex: relative, friend, advisor, attorney, etc.) will be permitted to attend.
3. Within a reasonable time after the conference, the student and the parent or guardian will be notified as to whether the student will be asked not to return to school.
4. The decision of the conference will be put in writing and provided to the parent/guardian. Expulsion will be preceded by suspension so that circumstances that suggest a possible expulsion can be investigated and deliberated.

5. The parents have one (1) school day to appeal the decision to the administration, orally. The administration may request the reasons for the appeal be put in writing and/or may hold a conference. Failure to comply with any such reasonable request will be grounds for dismissing the appeal. The administration will issue a written decision.

6. If not satisfied with the administration's decision, the parents may further appeal to the pastor. The pastor may notify the parent/guardians of the procedure he wishes to follow. The decision of the pastor will be final and will be communicated by the administration.

SUSPENSION AND EXPULSION

OLQM School, realizing its obligations to the student, will extend every reasonable effort to assist students in adjusting to the social and academic requirements of the school environment. Decisions to suspend will follow only after other means of motivation have failed and/or circumstances of crime, scandal, or disruption necessitate this extreme disciplinary action. Authority to suspend a student rests with the Principal and/or Dean.

Suspension is the denial to a student of the right to attend classes or take part in or attend school functions for no longer than three days. The Principal and/or Dean may also impose an in-school suspension if appropriate.

The expulsion of a student from a Catholic school is such a serious penalty that it will be invoked rarely, and then only as a last resort. Nevertheless, there may be situations which will demand removal of a student from the school. Expulsion is the permanent dismissal of a student from the school. Authority for expulsion rests with the Principal.

The following are categories of misconduct, which may result in suspension or expulsion. These categories are general in nature and are not to be all-inclusive:

Theft

Defacing property

Willful destruction of another person's property or school property

Use of profane and obscene language and/or gesture

Possession of weapons or explosives

Possession and/or use of drugs, tobacco or alcoholic beverages

Physically threatening and/or actually abusing students or staff members

Violation of compulsory attendance laws

Truancy from school

Fighting

Extortion

Persistent disobedience and/or breaking of school rules and regulations

Gross misbehavior, conduct detrimental to the normal functioning of the school or school activities

There will be no refund of tuition and fees if a student is expelled.

LUNCH PROGRAM

The supervised lunch program is an excellent way to ensure constructive physical activities during the noon hour in order to foster positive mental attitudes for the afternoon. We expect our students to respect the supervisors who are in charge of the lunch hour. Disrespect, lack of lunchroom manners, and/or unacceptable behavior will result in a detention or require parents to make special arrangements to spend the lunch time supervising their own child. All children are expected to go outside every day and should come prepared as weather conditions necessitate.

Students bring their lunches to school. Forgotten lunch should be brought to the School Office. Milk is served daily, which is ordered and paid for at the beginning of the school year.

Hot Lunch is offered 5 days a week. Order forms will be made available at least one month in advance.

LUNCHROOM AND RECESS GUIDELINES

Students are to remain seated while eating. They are to use good table manners and speak in a conversational tone. It is expected that they will clean their table area when finished. Running is never permitted in the lunchroom.

Students must remain on school property and in the area designated by the lunch supervisors at recess. Students will respect one another's right to equipment, play area, and personal property. There will be no tackling activities or activities that will cause concern for student safety. Students will refrain from throwing stones, sand, snowballs, woodchips or other objects.

REPORT CARDS

Report cards will be found on line through FACTS four times a year at the end of each quarter in Grades Kdg. – 8. Students in Grades 6 – 8 qualify for First and Second Honors status.

PARENT/TEACHER CONFERENCES

Formal Parent/Teacher Conferences are held in November, but parents are encouraged to arrange for a conference with the teacher(s) at any time during the school year. Parents may not confer with a teacher during the school day unless previous arrangements have been made. Conferences may be scheduled by sending a note to the teacher or by calling the School Office at (248) 642-2616 during school hours.

STUDENT RECORDS

In accordance with Federal Legislation entitled, "Privacy Rights of Parents and Students", the following records are kept for students enrolled at OLQM School:

Alumni records containing permanent academic and attendance records are maintained permanently in the School Office.

Parents or guardians have a right to inspect and review these records. A parent or guardian may challenge the contents of these records should they believe the records are inaccurate or misleading.

ACADEMIC PERFORMANCE

TEXTBOOK POLICY

All students are responsible for the proper care of their textbooks or they are required to replace them.

LIBRARY/MEDIA CENTER

Students visit the library/media center on a weekly basis or at times determined by their teacher. Students in all grades may use the library resources at additional times, providing the librarian or a teacher is present.

In order that the library may be a place of learning and enjoyment, the following rules must be observed:

Students are encouraged to use and check out age-appropriate materials. Return all materials on time.

Be financially responsible if a book is lost or damaged.

Treat all persons and library materials in a respectful manner.

Make the best use of the library and its resources.

Sign the library contract indicating you understand and will follow the rules.

Technology rules apply during library periods.

VACATIONS

Parents are encouraged to arrange family vacations according to the school calendar. When this is NOT possible, students will be given make-up work on their RETURN to school. Please do not ask the teacher for homework prior to the content being taught.

WEEKLY EMAIL NEWS

A weekly school email will be sent every Thursday. Parents are expected to read the email carefully in order to keep abreast of all the activities and happenings in and around the parish and school community.

When needed, additional communication will be sent home, but the email is our primary vehicle of school/home communication.

BIRTHDAY CELEBRATIONS

We have determined that during the school day, we will celebrate student birthdays with non-edible treats beginning THIS school year (2023-24).

Cupcakes, candy, and/or any other edible food items will not be allowed. Our teachers are committed to recognizing your students' special day and will do so within their classroom communities.. We encourage families that wish to celebrate a birthday to consider recognition in this way:

- Visit the classroom as a guest reader or share a special talent or interest with the class
- Give a classroom gift in honor of your child to be enjoyed by all such as books, indoor games, recess equipment
- Donate a book to the school library in your child's honor

ABSENCES

Please call the School Office before 9:00 a.m. when your child will be out of school. The office must be called each day of the absence. This will avoid the office having to call the family. This process is to protect your child's safety. The voice mail system will accept calls on a 24-hour basis. Truancy laws will be followed for excessive absences.

ADDRESS/PHONE CHANGES

It is important that you keep the office informed of any address or phone number changes, including work/cell phone numbers and email addresses. Please write down the new information and send it to the office. This includes any information contained on your child's emergency card.

EARLY DISMISSAL

A written request from the parent or guardian must be submitted if a student is to leave school before the time of dismissal. The Principal or Office Administrator must sign this note in the morning. In case of emergency or illness, the child's emergency card will be consulted to ascertain parent wishes. The student is to be picked up from the office. No child will be released to another adult without prior written instructions from the parent.

Any changes to normal dismissal must also be in writing. For example, a change may include permission to ride the bus, if you don't normally ride the bus.

The office should be notified before 2:30 p.m. about any and all changes.

TARDINESS

A student is considered tardy if he/she is not in the classroom after the 8:10 a.m. bell. Students who come to school after 8:10 a.m. must report to the School Office. Repeated cases of tardiness will be brought to the attention of the Principal so that parents may be contacted. The teacher is responsible for recording tardiness on the daily attendance card, on the student's report card, and on the permanent record card.

EMERGENCY INFORMATION CARD

At the beginning of each school year, parents will be asked to fill out an Emergency Card specifying whom to contact in case of an emergency. It is the parent's responsibility to notify the school office of any changes including changes in telephone numbers, persons authorized to pick up your child, home address etc.

In case of sickness or emergency, the school will utilize the information provided on the Emergency Information Card to contact the designated parent/guardian. The Emergency Card requires medical health insurance information that would accompany the child should he/she require hospitalization during school hours. Please be sure to include all medical conditions the school should be aware of.

UNIFORM DRESS CODE

Our purpose of the uniform regulation is to ensure that each student presents a neat, clean, well-trimmed appearance. In all cases, the administration reserves the right of final determination concerning proper student attire and overall appearance. Random uniform checks will occur throughout the year.

The first time a student is determined to be "out of uniform"; he/she will be issued a uniform violation. After this first offense all other infractions will result in a detention and/or a phone call to the parents to bring appropriate clothes to school.

OLQM DRESS CODE

At OLQM Catholic School students are expected to dress and conduct themselves in a manner that is respectful of their dignity as children of God. Neatness, cleanliness, and a well-groomed appearance are expected.

A uniform dress code reinforces in students a pride in their own appearance, instills recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school.

The overwhelming benefit of a school uniform is increased focus on learning.

Students in Grades K through 8 are required to wear the school uniform. Since buying clothing is a family function, parents are expected to purchase clothing that will meet the standards set forth in the dress code policy. This policy is written so that it is easy for students and parents to adhere to and easy for teachers and administration to enforce.

Uniforms may be ordered through:

WELLNESS POLICY

OLQM School is committed to providing a school environment that promotes and protects our children's health, well-being, and ability to learn by supporting healthy eating and physical activity. Therefore, it is the policy of OLQM School that all students in grades K-8 will have the opportunities, support, and encouragement to be physically active on a regular basis. Each student attends Physical Education class at least once a week. In addition:

Parents are encouraged to provide a healthy breakfast each day, and if packing a lunch for their children, to provide only healthy choices from each food group.

The Hot Lunch program served at OLQM meets the nutrition recommendations of the U.S. Dietary Guidelines for Americans.

Cafeteria personnel are trained in food service handling and abide by local health code policies. Teachers promote hand washing before students eat.

The school schedules appropriate lunch periods followed by outdoor recess whenever possible. Playgrounds are monitored by adults and checked for safety.

The school accommodates the tooth-brushing regimens of students with special oral health needs such as orthodontics or high tooth decay risks.

Parents sending in snacks or special treats are encouraged to provide healthy choices such as fruits or vegetables.

OLQM School has no soda or candy vending machines on the premises.

ADMINISTRATION OF MEDICATION IN SCHOOL

It is the responsibility of parents and/or guardians to inform the principal and appropriate teachers if a student is subject to any medical need that requires regular or periodic attention while at school. School personnel will not dispense or administer any medicine to students without written parent/legal guardian permission and physician authorization and instructions. If prescription or non-prescription medicine must be taken during school hours, the principal or his/her designee will supervise the administration of the medicine by the student in the presence of another adult.

The recommended policy of schools in the Archdiocese of Detroit is that school personnel shall not dispense or administer any medicine to students. Parents have the responsibility or should make their own arrangements.

The Principal can, however, if there are extenuating circumstances that affect the health of the students, make special exceptions.

Recommendation:

If the Principal, in contact with the physician, then agrees that extenuating circumstances exist:

1. A signed "Permission to Administer Medicine" by parent and physician should be on file. Included should be the physician's order indicating drug name, dose, time and method of administration, duration (length of time) for medication to be dispensed. These forms are available in the School Office.
2. Only one (1) school administrator or designee shall administer or dispense medication. A record of date and time medication was administered is kept and initialed by two authorized individuals.
3. All medicine should be clearly labeled with the student's name on the container. No over-the counter drug or drugs should be dispensed without a written order by the physician.
4. All medications will be in a locked cabinet in the School Office.
5. Students are forbidden from dispensing their own medication of any kind during school hours.

ALCOHOL AND TOBACCO USE POLICY

All chaperones of OLQM functions shall refrain from the consumption of alcoholic beverages while responsible for students. The use of tobacco is also prohibited, both at school activities and on the school and parish grounds.

VOLUNTEER PROGRAM

Parent volunteers are an integral force behind the overall success of OLQM School. If you would like to volunteer your services in any of the following areas or in any other area you feel your services would be effective, please let us know. It is suggested that all OLQM families volunteer at least 10 hours per school year in order to receive subsidized tuition for the following year:

6 of those hours MUST be in the lunchroom or on recess duty.

*PARENTS MAY SHARE HOURS WITH FRIENDS

Items which are not claimed will be donated to charity at the end of each quarter. All student clothing and personal belongings must be marked with a name.

Students at school-sponsored, off-campus events shall be covered by school rules and regulations and are subject to the authority of school officials. Parent(s) must sign a permission form for their child to attend an event. No child may take part in an off-campus trip without a signed permission form. Cellular phones for students are not permitted on/during field trips. They may carry them but they are to be in the off position. Teachers and/or principal may require that chaperones have possession of phones during field trips.

In addition, all parents who drive and/or chaperone field trips must complete the necessary driver/insurance information form, attend a Protecting God's Children workshop and have an I-Chat background check completed.

Child Passenger Safety Law

Michigan law requires (www.Michigan.gov):

Children from birth until age 8 must be properly restrained in a safety seat or booster seat in the vehicle, unless 4'9" tall.

Children who are eight years old, but less than sixteen years old, must use a safety belt no matter where they are riding in the vehicle.

BUS TRANSPORTATION

The Birmingham School District provides bus transportation to students who live within the boundaries of the Birmingham School District and more than one mile from OLQM School.

Bus routes are established by the needs of our school population and are given to parents by late August or the first week of September.

Each student should be familiar with the following rules:

Students are expected to conform promptly to directions of the bus driver.

Students will wait until the bus comes to a complete stop before attempting to enter or leave the bus. Students are to keep hands and head inside of the bus at all times.

Students are expected to help keep the bus clean, sanitary, and orderly.

Students are not allowed to use loud/obscene language while riding on the bus.

Students are not to interfere with the driver in any way so as to distract his/her attention from driving. Students are not to deface the bus in any manner.

Students may not open bus windows unless the driver gives permission.

Students may not eat or drink on the bus.

Only the bus driver will determine the need for using the safety door.

The driver has the option to assign seats when necessary.

Students who fail to comply with the above guidelines or other regulations set forth by the driver will receive a discipline notice. Parents and Principal must sign the notice before a student may resume bus transportation privileges. Repeated notices will result in suspension of bus transportation privileges.

CAR POOL/PICK-UP AND DROP-OFF PROCEDURES

OLQM has a pick-up/drop-off and park/pick-up procedure for those students transported by car. These procedures will be distributed to all families at the beginning of the school year and will be posted on our website. If you require assistance with the procedures, please contact the office.

BICYCLE SAFETY

Students riding to and from school must walk their bicycles while on school property and crossing streets.

All bicycles must be locked in the bike racks.

VISITORS TO OLQM SCHOOL

We encourage parents, professional educational organizations and appropriate community groups to visit the classrooms. We do insist, however, that such visits be arranged in advance with the Principal.

All parents, visitors, and volunteers are required to report directly to the School Office upon entering the building. Visitors may NOT visit teachers and students during school hours unless previously approved. Meetings with teachers must be scheduled in advance. All visitors must wear a badge to indicate they have registered their visit in the School Office.

LEADERSHIP ADVISORY BOARD

The educational goals and objectives of Our Lady Queen of Martyrs School are established and ratified by the Leadership Advisory Board. The Committee is composed of members appointed by the Pastor and/or Principal by virtue of their position in the school, parish and/or community. They serve as a support and advisory group to the Pastor and Principal.

The Leadership Advisory Board, in conjunction with the Archdiocese of Detroit, helps to formulate goals and objectives for the operation of the school. It is important to note that the Leadership Advisory Board is concerned only with these matters, leaving the administration of the school policies, curriculum and personnel to the Principal.

INCLEMENT WEATHER PROCEDURES

Please listen to the following stations for information about school closings:

Radio	Television
WJR 760	WJBK (FOX)
WWJ 950	WDIV (NBC)
WXYT 1279	WXYZ (ABC)

If the Birmingham School District is closed, OLQM School will also be closed. In some circumstances, OLQM may make an independent decision that differs from Birmingham or to close should Birmingham not make an early enough decision. An email and/or text will go out to notify all families that the school will be closed.

FIRE DRILLS

According to State regulations, our school conducts five fire drills during the course of the academic year. Students are instructed at the beginning of the school year how to respond at the sound of the fire alarm and where to proceed.

The students are to file out quickly and in complete silence to their assigned places outdoors. They are to stand outside silently until the return signal is given. Students are to return to their classrooms in silence.

Should parents be in the building at the time the fire alarm sounds, they are to leave as quickly and as quietly as possible through the nearest exit. It is extremely important that no one remains in the building during a fire drill.

LOCK DOWN DRILLS

Three lock down drills and two evacuation drills are practiced annually.

SEVERE WEATHER SAFETY

OLQM School follows the policy of Oakland County concerning severe weather safety. This policy requires that students remain in school during both a tornado watch and a tornado warning.

Parents are requested not to call the School Office in the event of a tornado or severe weather warning. We need to keep the telephone lines open for emergencies or specific directives from officials.

If a parent insists on having his/her child home in a period of a tornado or severe weather warning, he/she must come into the building and personally take the child home.

Should parents be in the building at the time the alarm sounds, they are to go to the nearest staff member and follow their instructions.

Severe weather drills are conducted for all students and staff in the fall and spring of each school year.

EMERGENCY FAN OUT PROCEDURE

In case of an emergency school closing or any incident that may occur pertaining to OLQM School, parents or designated adults will be notified by phone for instructions. Parents are required to update their FACTS account and include phone number to be notified via text message.

Parents are requested not to call the School Office in the event of an emergency. We need to keep the telephone lines open for emergencies or specific directives from officials if applicable.

CRISIS PLAN

All faculty and staff have been trained in how to react if a crisis would occur. Students will practice fire, tornado, lockdown and evacuation drills at the beginning of the school year. In the event that a serious situation does occur, the school building will be locked down for the safety of the students and all activities will resume as normally as possible. Information will later be disseminated to parents.

If for some reason the school would have to be evacuated, the students would walk to church. If the church is not accessible or safe for evacuation, students and staff would then walk to an assigned secure location until further instructions are given.

ACCIDENTS

Any type of accident which occurs on school premises will be reported to the office as soon as possible.

If the accident is of a minor nature (slight cut, scrape, bruise) it will be treated in school so that the student may return to normal activity.

If the accident is of a serious nature, one which may require more extensive professional care, we will make the student comfortable and immediately contact the parent or guardian. If there is no response at home, we will contact the parent or guardian at work or call the emergency numbers provided on the emergency card.

If your child should become ill while at school, we will follow the same procedure as for an accident.

Medication, such as aspirin, is never administered in school in accordance with State Law, unless written permission is received from the parent or guardian to do so.

Children subject to an accident or illness are not permitted to leave the school building alone. Parents or designated adults must come to the office; sign the child out before taking the child home.

MANAGEMENT OF ASBESTOS INSULATION PRODUCTS IN ARCHDIOCESE OF DETROIT SCHOOLS

The Asbestos Hazard Emergency Response Act (AHERA) of 1986 requires that all schools be inspected to determine if there are any building materials that contain asbestos. OLQM School has complied with AHERA by completing the following requirements:

Inspecting all facilities for both friable and non-friable asbestos-containing building materials. Samples were taken during the inspections of all materials suspected of containing asbestos, and the samples were analyzed at an EPA-accredited laboratory.

A Management Plan written, based upon the inspection report and laboratory finds, outlining the administration's intent in controlling and abating any asbestos-containing building material.

The building was found to be entirely free of any asbestos-containing building materials accessible to inspectors. The inspection results are available for review in the administrative office.

The Management Plan, maintenance and custodial actions required by the plan, and training of personnel are all dedicated toward a serious and careful effort to always ensure that any potential health hazard from asbestos is eliminated. Students, faculty and employees have, and will continue to have a safe environment in which to learn, teach, and work.

ALCOHOL AND OTHER DRUG USE/ABUSE POLICY

Archdiocese of Detroit – June 2006

It is the policy of OLQM School that all students learn in a safe and healthy working environment free from drug and alcohol abuse. Accordingly, the school has adopted the following policy:

1. Possession, use, transfer reporting for or working while under the influence of, or any other contact with, alcohol or illegal drugs at work is prohibited. Violation of this policy will result in disciplinary action, up to and including possible discharge.

a. "Possession" includes: on your person, in your personal effects, in your vehicle or under your control.

b. "Use" includes any form of consumption, ingestion or inhalation.

c. "Transfer" includes: purchase, sale, exchange, dispensation, sharing and/or handling, whether or not for money or other form of compensation.

d. "At work" includes: any time for which you are being compensated, whether or not off the school premises, which includes parking lots, lunchrooms, lockers and school vehicles. Students who are not actually on school property, but are performing work for the school, are expected to follow these work rules. Failure by any student to comply with these rules while on school business off site will be treated the same as if the student were on school property.

e. "Illegal drugs" includes: any narcotics, controlled or illegal substance, including marijuana, unless it is in a container labeled by physician or pharmacist identifying the employee as a person for whom the drug was prescribed, the drug and dosage.

2. The school may offer or require a student who is reasonably believed to be under the influence to have drug or alcohol screening test, such as a breathalyzer, performed at school expense by qualified personnel. Refusal to submit to testing, when requested, or positive test results, will result in disciplinary action, up to and including discharge.

a. "Refusal" includes: any student-initiated delay in submission to testing.

b. "Positive test results" includes: any trace of alcohol or illegal drugs.

3. The school reserves the right to search a student, including emptying his/her pockets; a student's purse, tote bag, briefcase, lunchbox or other personal property; student's work area and student's vehicle on school premises when the school has a reasonable suspicion that this substance abuse policy may have been violated. Refusal to cooperate in these procedures may result in disciplinary action, up to and including discharge.
